HOW TO USE THIS REPORT?

This report has been prepared using historical JoSAA counselling data (2023, 2024 and 2025) along with the information provided by the student. The purpose of this report is to help students and parents make informed and strategic choice-filling decisions.

DREAM COLLEGES

Dream Colleges are institutes and branches where admission may be difficult but still possible based on your rank profile. These choices represent your aspirational targets.

Advice:

- Include Dream Colleges at the top of your choice list.
- Do not depend only on Dream Colleges.
- These options provide opportunities for better institutes and branches.

REALISTIC COLLEGES

Real Colleges are institutes and branches where your admission chances are considered reasonably good based on recent counselling trends and closing ranks.

Advice:

- Real Colleges should form the core of your choice list.
- Most successful allotments generally come from this category.
- Prioritize these options according to your interest and career goals.

SAFE COLLEGES

Safe Colleges are institutes and branches where admission probability is relatively higher based on historical data.

Advice:

- Always keep sufficient Safe Colleges in your choice list.
- Safe Colleges work as a backup option.
- A balanced choice list should contain Dream, Real and Safe options together.

TREND GUIDE

!Easier
Admission trend is becoming easier compared to previous years.

!Harder
Competition is increasing and admission is becoming more challenging.

!Stable
Closing ranks have remained relatively stable over recent years.

IMPORTANT NOTE

- Choose branches according to your interests, aptitude and long-term career goals.
 - Do not make decisions solely on institute reputation.
 - Consider both institute quality and branch preference.
 - Maintain a healthy balance between Dream, Real and Safe choices.
 - Before final submission, carefully review your complete choice list.
